

**New York State Department of Health**  
**Requirements for Vaccinations.**

New York State (NYS) Law Section 2164 and section 66-1.4 of the regulations requires that a child shall not continue to attend school for more than **14 calendar days from the first day of enrollment (30 days granted for children from out of state or out of country)** unless the school has received a certificate of immunization, documentation that the child is “in process,” or a valid medical exemption. Parents/guardians are responsible for providing valid documentation regarding immunizations to the school upon enrollment.

Please refer to the NYS immunization requirements for school entrance/attendance document for specific vaccination requirements per grade. This document can be found at the website below and on the school website under the nurses tab.

Please refer to the following website for further information regarding immunization requirements in NYS.
