

Real-Time Nutrition: The Mealviewer App is Here!

The Sandy Creek School Nutrition Department is excited to introduce Mealviewer! Simply click the link to explore the fantastic features this program offers for both parents and students.

You can now monitor daily carb counts and protein intake, gaining insight into what your children consume each day.

However, please remember that this is an ongoing process, and it may take some time to get everything up to speed.

MealViewer To Go

The MealViewer App is a powerful tool for parents and students. See what's being served at your student's school right now. From nutritional information, allergens, favorite foods, school announcements, and speci...
