II. Strategic Technology Planning

1. What is the overall district mission?

The mission of the Sandy Creek Central School District is to provide all students the knowledge and skills necessary to be self-directed, life-long learners by providing the highest quality education in partnership with parents, staff, and community.

2. What is the vision statement that guides instructional technology use in the district?

The Sandy Creek Central School District strives to create a technology rich environment for all students and staff. Our goal is to utilize our technology resources to better prepare our students for their future careers and educational opportunities. We believe that all students should have equal access to technology resources and have this technology integrated into the education process at all grade levels and subject areas. We believe that technology resources should be used to extend the learning environment appropriate for each student, provide access to students, parents and staff, and help promote a technically literate community.

3. At the start of the 2026-27 school year, will the district provide a dedicated mobile device for every student in all grades?

Yes

V. NYSED Initiatives Alignment

1. How will the district's use of instructional technology support a comprehensive and sustained effort to improve student performance and academic standards, while also addressing the need to provide equitable learning opportunities "everywhere, all the time" (National Technology Plan)?

The district's instructional technology plan supports equitable access to learning, continuous instructional improvement, and future-ready education by ensuring high-quality connectivity, effective professional learning systems, secure digital environments, and instructional innovation. Technology is leveraged to improve student achievement, close opportunity gaps, and support learning everywhere, all the time through reliable infrastructure, empowered educators, and safe digital ecosystems.

2. **At the start of the 2026-27 school year, will the district offer full-time virtual instruction to any students? (Select all that apply)**

- Yes. Our district operates a full-time virtual instruction program.
- Yes. One or more of our students will attend a program operated by a BOCES or another public school district.
- None of our students will participate in a full-time virtual instruction program.
- Other

3. If the district files or has filed a Smart Schools Investment Plan (SSIP) to apply for Smart Schools Bond Act funds, all responses in this survey align with the district's response to any related question(s) in the SSIP.

The district does not have an active SSIP.
