Sandy Creek Parent/Guardians:

Throughout the school year, photographs/videos may be taken of students for use in district publications including the district website or by the news media. The District has embarked on a social media presence inclusive of a Facebook page, Instagram profile, Twitter account, as well as other unconventional methods (such as "Cool Schools" on news media) of sharing student accomplishments. In most instances we will not be using the names of students, only their photographs.

Parent(s)/Guardian(s) who do NOT want their child(ren) photographed for these purposes are asked to send a note to your child's school principal each year.

A simple written, signed note stating:

"Please do not photograph my child(ren) {insert student name(s) and grade level} for use in publications and/or web during the 2019-2020 school year."

The note may be delivered in person or mailed to the school district. If you intend to opt-out of this student photograph campaign, please have your note to your student's principal on or before September 4, 2019.

Please note: If you choose to "opt-out" and provide a note for your child(ren) not to be photographed, your child(ren)'s accomplishments will not be showcased in any form. This includes extracurricular activities as well as athletic performances.

If you have any questions regarding these Student Photograph practices, please feel free to contact either your child(ren)'s principal or myself.

Thank you,

Kyle L. Faulkner
